Mary's receptive stance of pondering before the love of God, brought not only newness in her life, but brought the word of God to us. This day of prayer is not a silent retreat. It begins with refreshments in the serving area, followed by a conference, the sacrament of Reconciliation, and time for silent reflection. After lunch, we will pray the Rosary together and close with the celebration of the Eucharist.

To register by email rrc@redemptoristretreat.org Theme: "Religious Life: A Spring of Water Well up to Eternal Life" We all know that water is essential to life. But, did you know that water is directly referred to over 700 times in the Bible? In fact, the Gospel of John is drenched with the image of water. Twenty-three times, the word "water" appears in the Gospel of John, along with more than seventy allusions to water. Why are there so many references to water in the Gospel of John? Using "water" as our guide, we will dive into the depths of the Gospel of John to discover the meaning and significance of water. And as we drink from that wellspring of delight, we might discover a river of living water that was

already flowing through our religious life and welling up to eternal life. The retreat will consist of presentations, daily Eucharist, opportunity for the Sacraments of Reconciliation and Anointing of the Sick, great meals, and plenty of time for private prayer and rest. The retreat is designed to be experienced in an atmosphere of silence.
