

Prayer for our Capital Campaign

“God’s Hands”

Father, you have blessed our Parish Family
with a beautiful church.

Each time we enter, we are greeted
with your welcoming and loving hands.

Into your hands, Lord,
we place our trust and welfare.
Help us to maintain and preserve
our house of worship

so it will continue to bring
glory, honor, and praise to you.

Stir the hearts of our parishioners
to be generous in sharing their
time, talents, and treasure.

May we humbly extend our own hands
in service to you.

May we join them in unity
so that all of us

will grow together in love
and may be faithful disciples

and effective witnesses of your Kingdom. Through Christ our Lord. Amen.
